

LABOR AGAINST 10-CENT BREAD

Trades and Labor Council
Takes Firm Stand at
Meeting Last Night.

Close on the heels of a decision by bakers of Tulsa to eliminate the 10-cent loaf of bread and to sell only the 5-cent loaf, bakers' workers gathered last night at the meeting of the Trades and Labor Council and had passed resolutions condemning the move. The council took a firm stand for the old

family-sized loaf and called the proposed advance nothing short of loaf-shedding, prompted by the "alleged" high cost of living which "alleged" condition might be alleviated at any time. Nonpartisan persons declared last night that they saw in the hostile move by the bakers the beginning of war between the two factions here.

The resolutions as adopted read as follows: "Whereas, The bakers operators in the vicinity of Tulsa have adopted a measure whereby in the future they will extend every effort to manufacture and place on the market a 10-cent loaf of bread only, and eliminate the 5-cent loaf; and

"Whereas, This will cause a condition to exist whereby the organized bakers workers will suffer from loss of employment and in membership; and

"Whereas, This project is prompted only by the alleged high cost of materials, which will in all probability be eliminated in the near future; and

"Resolved, That the suffering condition which will be the outcome of this move will be thrown on the organized bakers workers and will not be alleviated without long and persistent strike on the part of organized labor in general, we deem it expedient that, therefore, be it

"Resolved, By the Tulsa Trades and Labor Council, that it go on record as endorsing the 5-cent loaf of bread and urge upon the members of organized labor of Tulsa and vicinity to insist upon the 5-cent loaf when purchasing the staff of life."

OFFICIAL WANTS \$25,000 DAMAGE

Charles Sanderson is Made Defendant
in Suit Filed by John Woodard Here.

Charles A. Sanderson was yesterday made defendant in a suit for damages amounting to \$25,000 filed by Assistant City Attorney John R. Woodard in the district court. The suit is the outgrowth of an assault made on Woodard while he was in Sanderson's office on the afternoon of October 6, 1915.

Woodard asserts that while he was seated in a chair in the defendant's office Sanderson suddenly rushed at him and, throwing his left arm about his neck, wrenched his body into such a shape that he (Woodard) could not move and then struck him a blow that rendered him unconscious.

For months after the assault Woodard was in a precarious condition and it was feared he would never recover. His arm was paralyzed and his spine fractured, which made it impossible for him to control the movements of his head. The muscles and ligaments of his neck and shoulder were torn loose and his nervous system shattered.

Woodard has not recovered from the assault yet and some of his injuries will be permanent, doctors say. The petition alleges Sanderson is a skilled wrestler and a much larger and more powerful man than Woodard.

DEMOCRAT'S LOVE FEAST IS A FIZZLE

Their Parade Through the
Capital Is Marked With
Bowed Heads.

Special to The World.
OKLAHOMA CITY, Sept. 28.—The much heralded Democratic parade to wind up "Democratic day" at the state fair tonight proved a fizzle such as the most hopeful Republicans had scarcely expected. "It was estimated by party leaders," said the Oklahoma City Times of today, "that between 20,000 and 25,000 persons would be in the procession. County organizations will march in four divisions, according to alphabetical rank." That is what Democratic party leaders expected. This is what they got.

Like An Ax.
Actual marchers in the parade, 327 automobiles, including one float, 24. This is a representation of about five to the county. The one float, representing "the man of the hour," received not a cheer along the line. One banner saying "peace and prosperity" (prosperity caused war), was the only thing in the procession that received an applause.

The rally was attended by less than five thousand members of the party outside the city and less than half

HOW TO BE SLIM

If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve and weaken your system, or think you must change your fat, but go to the Revival Drug company and get a box of Oil of Korean capsules, take one after each meal and one before retiring at night.

Weight yourself once a week and note what a pleasant and reliable method this is for removing superfluous fat from any part of the body. It costs little, is absolutely harmless and a week's trial should convince anyone that it is unnecessary to be tormented with even a single pound of unsightly fat. Adv.

He said that the only thing the Republican party has accomplished so far has been finding fault with the administration.

BLOODHOUNDS CHASE GIRL'S ASSAILANT

Fear Is Expressed That Judge Lynch Will Sit If Man Is Caught.

Special to The World.
STILLWELL, Okla., Sept. 28.—Bloodhounds from Fort Smith, Ark., are tonight leading a posse through the mountains at Dutchtown, five miles east of here, in pursuit of an unknown white man who shortly before noon yesterday assaulted Natalie Jordan, 15-year-old daughter of a farmer.

The girl was grabbed by a man as she was walking within forty feet of her home. She was dragged into the underbrush. The affair has aroused the community to high pitch and a lynching is feared if the girl's assailant is caught.

"DRY" CAMPAIGN IS POSTPONED

Chicago Prohibition Leaders Interested Now in Presidential Race.

CHICAGO, Sept. 27.—A campaign to drive the saloons out of Chicago, which question dry leaders had hoped to place before the voters at the next spring election, has been postponed one year, it was announced today. Rev. Philip Yarrow, superintendent of the Chicago Dry Federation, said the ministers and men of the leading churches are not sufficiently interested now because of the presidential campaign to push the issue.
